

To the Worshipful Master and Brethren
and Brethren of Kilmear
Lodge No 265 - F. & A. M.

I am your free by birth and
of the free age of twenty one
years do declare that induced
by the improper solicitation of a
friend and unassisted by
mercury or other unworthy
artifice I have voluntarily offer
myself a candidate for the initiation
of Freemasonry that I am prompted
by a favorable opinion conceived of
the institution and a desire for know-
ledge and that I will cheerfully con-
form to all the ancient usages &
established customs of the order.
