The Grand Lodge Office will be temporarily Closed until April 6th, by the advice of the Governor of the State of Georgia, the Mayor of Macon and our Grand Master.

We will still be available by email: gsec@glofga.org and will answer in a timely manner. Ms. Julie Hickman and I will be working remotely.

If you need help with the database, please let us know.

This is a very inconvenient time for us all, but we are in this together and hopefully we can look back only to remember a bump in the road on our journey.

On behalf of the office staff, Carolyn Johnson, Julie Hickman, Deena Poff and Heather Pennycuff, please stay safe and healthy.

Fraternally and sincerely,

Van S. McGee, Grand Secretary
