Subject: Protective masks for health care workers!

Brethren,

In an effort to provide a program to assist in the need of protective masks for health care workers against the COVID-19 pandemic, the Grand Master along with some very worthy brothers, have launched a program whereby the Masons of Georgia can contribute towards the purchasing of KN 95 masks and donating them to The Children's Healthcare of Atlanta. As everyone knows, there is a shortage of the (made only for USA) N 95 mask due to the high demand for these critical Personal Protective Equipment (PPE) items. Through the connections of one of our own Georgia Masons, we are now able to acquire the (most popular mask in the world) KN 95. The CDC has deemed "KN 95 to be (as) effective as N 95", as both filter 95% of particles 0.3 micron.

Donations for this effort should be made to:

Georgia Masonic Charites Foundation, Inc.

811 Mulberry Street

Macon, Georgia 31201

Please write "Masks" on the memo line of your check. Donations are tax deductible. Please join us in the battle against the coronavirus by helping keep our Children and our Health Care Professionals stay as safe and as healthy as possible. Thank all of you again for all you are doing and will do in the future for our Children, our Communities and our Fraternity. If you have any questions please feel free to contact me, the Grand Secretary, or any of the Grand Line Officers.

Fraternally and sincerely,

Johnie M. Garmon, Grand Master
