Addendum to RULING NO. 2020 – 3

IN RE: COVID 19 VIRUS

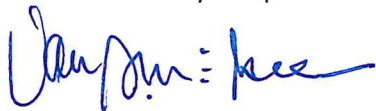

After further consideration, Ruling No. 2020-3 is hereby amended and modified as follows:

It is hereby ordered that all face to face Masonic meetings, activities, and functions in the State of Georgia be suspended through May 31, 2020. The exception to this shall be blood donations as Georgia is in an emergency situation with extremely low blood supplies in the state's blood banks. Brethren should donate at blood provider centers and encourage others to do the same. Lodges may elect to have bloodmobiles set up in the lodge parking lot but there is to be no activity related to any blood drive inside any Masonic lodge building.

The Grand Lodge officers will be conferring again in mid to late May and will address the situation, including a further extension if needed, with further guidance being provided for the craft as appropriate.

This ruling, as amended, continues to wave any need for Special Dispensation for not holding regular stated meetings.

Given this 24th day of April 2020

Van S. McGee
Grand Secretary

Johnie M. Garmon
Grand Master
