

A MEMOIR A MEMOIR

The subject of this memoir, L.P.Wall, was born in Rabun County Aug. 15th 1834 and died Feb. 9th 1920. He was married to Nancy Turpin Dec. 11th 1851.

Was one of the charter members of Rabun Gap Lodge No. 265 and constant in his attendance as long as he was physically able to attend - only when Time that never halts but marches on through youth, manhood and old age had laid his hand upon this once strong man did his activities cease as a real working Mason. His friends were numbered by those who knew him.

His faults were only to himself. No cry for relief or charity was turned aside. Like the Great Mountains that overshadowed his habitations - so towered his love for his fellowmen. But along with others who worked by his side he has layed aside the working tools of the craft and the "Emblem of Innocency" we trust, was worthily donned, and he was welcomed by the Great Master of all worlds.

We lay upon his body the sprig of acacia with reverent hands.
