

In Memory of E. B. Norton.

Whereas The Supreme Architect of the Universe has seen fit to call one of our number to the Celestial Lodge above, where all true Masons hope one day to assemble, and while he has been taken from the 68000 Masons of Georgia, let us hope that he has been united with the unnumbered hosts of the Grand Lodge above, there to affiliate with all those who wrought and were found worthy.

And while perfection on earth has never yet been attained, the wisest as well as the best of men have gone astray, suffer then the apologies of human nature to plead for him who can no longer plead for himself, and let us cast around his foibles whatever they may have been, the broad mantle of Masonic Charity, and not withhold from his memory the commendation that his virtues claim at our hands.

Therefore be it resolved.

1st; That in the death of Bro E. B. Norton, the Lodge has lost one of its most devoted, Bright, and useful members, and with deep sorrow we deplore our loss.

2^d; That the Town and County has lost a most useful Citizen, on account of his extraordinary qualifications and ability.

3^d; That the Methodist Church also mourns the loss for his lovable, loving, and sympathetic character, which was always so freely and lavishly dispensed among his friends, who were numbered according to his acquaintances.

were intended according to his acquaintance.
4th; That we as brethren and as a Lodge bow in humble
submission to the will of the great God, of the universe
before whom all Masons should with reverence
humbly bow.
