

I N M E M O R I A M

Brother Lester Neville, M. D., country doctor, humanitarian, counsellor to the people of Rabun County, and a gentleman of the old school. July 2, 1954, Brother Neville was born Nov. 23, 1883, he was initiated as an entered apprentice Mason into Rabun Gap Lodge #265 August 23, 1912, passed to the fellowcraft September 20, 1912, and raised to the sublime degree of master mason October 25, 1912. He became an Emeritus Mason April 23, 1954 and departed this life July 2, 1954.

Throughout the long and strenuous years as a practising physician he strove to cure not only the ills of the body but also those of the mind and to make of every man and woman a better and more useful citizen. He carried the highest ideals of masonry into his daily practise and our state and our community are the beneficiaries of the devoted service of this sterling man. Our heart-felt sympathies are extended to his wife and family.

This 15th day of July, 1954.
